21 June 2022

CAPITAL SHIP MANAGEMENT CORP.

COMMENDATION OF PORT STATE CONTROL PERFORMANCE

The Deputy Commissioner of Maritime Affairs of the Republic of Liberia commends you and the crew of the following vessels, listed in the attached appendix, of your fleet for the safe operation of the vessel(s) over the past two (2) years without any IMO Detentions by Port State Control.

This stellar safety and performance record is in keeping with the highest of maritime traditions. This Administration greatly appreciates the dedication to safety and compliance of your team and your seafarers.

Sincerely,

A handwritten signature in blue ink, followed by the official seal of the Maritime Affairs Office of the Republic of Liberia.

Margaret C. Ansumana
Deputy Commissioner of Maritime Affairs
Republic of Liberia

Liberia Awarded with United States Coast Guard Qualship 21 Status

The Liberian Registry has met all the requirements for full participation in the United States Coast Guard's QUALSHIP 21 (QS21) program for the period from 01 July 2022 to 30 June 2023. QS21 recognizes vessels and flag States which have successfully met specified safety, regulatory, and quality requirements when calling ports in the United States.

The QS21 program is a quality recognition program to which only a small percentage of vessels calling at US ports are admitted based on the excellence of their port state control record. The USCG developed QS21 to provide recognition for well-run, quality vessels, operator, and registries.

“A quality vessel is associated with a well-run company, is classed by an organization with a quality track record, is registered with a Flag Administration with a superior Port State Control record, and has an outstanding Port State Control history in U.S. waters.”

As a benefit of Liberia being a qualified Flag Administration, operators may begin to apply for the QS21 program starting on 01 July 2022.

Applications should be sent to the US Coast Guard Office of Commercial Vessel Compliance. Details on the format and content of the application can be found at the [USCG Qualship21 webpage](#).

Please contact the Fleet Performance Department at prevention@liscr.com if you have any questions about or need assistance with the USCG QUALSHIP 21 program or application process.
